

Texas Rise Fly Co.

Guided Trip Client Information & Gear Guide

We're Looking Forward to Fishing With You

Thank you for booking with Texas Rise Fly Co. This guide will help you prepare for a comfortable, safe, and memorable day on the water.

What to Expect

- Guided fly fishing on Texas Hill Country rivers
- Wading in moving water
- Hands-on instruction for all experience levels
- A relaxed, enjoyable day on the water

What's Provided

- All fly fishing gear (rods, reels, flies)
- Water and hydration
- Snacks on all trips
- Lunch provided on full day trips only
- Sunscreen
- Professional instruction and guidance

What to Bring

Clothing & Comfort

- Lightweight, quick-dry clothing
- Long sleeve sun shirt (recommended)
- Hat for sun protection
- Swim attire works great during summer months
- Waders are not necessary
- Most guests end up wading wet during warmer months—plan accordingly
- Change of clothes
- Towel

Footwear (Very Important)

- Closed-toe shoes suitable for wading (old tennis shoes or wading boots)
- Avoid sandals or barefoot wading

Sun Protection

- Polarized sunglasses (highly recommended)
- Buff or neck gaiter (optional)

Personal Items

- Refillable water bottle
- Any required medications
- Small backpack (optional)

Fishing Gear

- Bring your own if you prefer
- All necessary gear is provided if needed

Food & Drinks

Snacks are provided on all trips. Lunch is included on full day trips only (half day trips are typically 4–5 hours).

Feel free to bring anything additional you would like.

Please let me know of any dietary restrictions or preferences, including beverage choices.

Before Your Trip

Please reply with:

- Dietary restrictions
- Beverage preferences
- Experience level with fly fishing
- Any physical limitations or concerns
